

Silent Auction

When does the online silent auction open?

Our silent auctions will open at noon Friday 12/04. You will receive an email at the address used to register with notice that auctions are open. Attached is the auction link:

More auction items to come!

When do auctions end?

Our online auctions will end at 7pm, right at the end of Virtual Hammers & Ales.

If I win an auction or raffle, how do I get my item(s)?

Similar to pick-up of party packs, we will have open hours at the ToolBank the week after Holiday Hammers & Ales to allow everyone to pick up their winning auction items.

You can stop by the ToolBank any time between the following hours the week after our virtual event:

Monday 12/14 between 11:00am - 6pm
Wednesday 12/16 between 11:00 - 6pm
Thursday 12/17 between 11:00am - 6pm

If a different pick-up method is needed, or you have any questions or concerns, please contact our Community Engagement Coordinator, Samantha Norton, at samantha.norton@toolbank.org to make other arrangements.

Please note that masks are required at all times at the ToolBank and safe social distancing will be enforced when picking up your packs. The ToolBank will have hand sanitation stations conveniently available at all times.
